Armadillo Ski Club

Happy Valentine's Day

From the President...

Hello Armadillo's,

Snowmass is behind us now and all reports indicate everyone had a great week with only a few small nicks and bruises. Many thanks go out to Zoe and Brenda for pulling off a well-organized and successful trip.

I hope everyone is giving some serious consideration about becoming a board member for the upcoming year. We will definitely need some volunteers. Come join us at our next board meeting to get some exposure and insight of how the club operates behind the scenes.

Join the club members for the Super Bowl game on the Sunday before our February club meeting. Read more information in this issue.

Till next time,
JACK

BOARD MEMBERS NEEDED!!

Please consider giving back to the club by volunteering to serve on the Board of Directors.

It's a small commitment with great rewards!!

YOU Can Be a Board Member!!

A Rewarding Opportunity

It is time once again to solicit volunteers for the Board of Directors.

This year we will be losing most of our board members. These members have served in multiple positions for many years and have decided to step down to let others get involved in the growth and success of the club.

The club depends on members to keep the club operating and offering superb ski trips, parties, and socials.

The Board consists of nine positions and meets once a month to handle the affairs of the club. Nominations are held in March, elections in April and the new leadership team assumes duties in May for a one-year term. *(So you have time to consider this great opportunity.)*

Executive Committee includes:

President - presides at all regular membership and board meetings and submits monthly article to Editor.

Vice President - steps in for President in his/her absence. Collects membership dues and applications and maintains the club membership roster.

Secretary - records minutes of meetings and sets up the general membership location. Responsible for all club correspondence and agendas.

Treasurer - handles the financial and accounting functions of the club.

TSC Representative - is the liaison between the club and the Texas Ski Council. Attends the quarterly delegates meetings and oversees club and TSC trips prior to Trip Leader selection.

Appointed Positions include:

Social Director - organizes club activities and parties.

Editor - creates and maintains the monthly newsletter.

Audit Committee - audits and verifies the financial functions of the club.

Budget Committee - proposes budget for forthcoming fiscal year.

Nominating Committee - solicits candidates for future board member officers.

Contact a Board Member for details.
